

NEW OPENING HOURS FROM JANUARY 2021

Stowford 'Early Birds' and 'Roosters'

Before and After School Provision

Our before/after school hours sessions are held in the Stowford Nursery building and are run by qualified Stowford School staff led by Mrs Christine Ward.

Early Birds and Roosters sessions offer a relaxed and friendly atmosphere in an educational setting for children already attending Stowford Nursery or Stowford School.

'Early Bird' sessions - 8am-start of School/Nursery

Drop your child from 8am in the Stowford Nursery building in the knowledge that they will be safe and happy until being taken to their classroom in time for morning register. A healthy breakfast and a drink of fresh juice are provided if required, and children will be able to play with their friends indoors or outside.

'Roosters' sessions - end of School/Nursery-5.45pm

Your child will be collected from their classroom at the end of the school day by our staff and taken to the Stowford Nursery building. Healthy snacks will be available if desired.

Children will be safe, have fun and enjoy a range of activities; either indoors where crafting, games and puzzles will be available, or outside on the school field in the wide and inviting expanse of the wooded areas and the huge sandpit. They will be able to participate in their choice of activities until you pick them up.

Come along and join in the fun!

Nursery children	Fee	School aged children	Fee
8am to start of nursery	£4.20	8am to start of school	£4.20
