7th July 2025

Dear Parents and Carers

School Lunches from 1st September 2025

As you will be aware from our earlier correspondence, Stowford School will be moving to a new catering provider, Aspens, from 1st September 2025.

As part of this process, all primary schools in the Trust will be adopting Aspens' ordering system, **SwiftKitchen**. This system will enable you to order your child's food in advance and pay for it where appropriate. Please note that all lunches must be pre-ordered; the new system does not allow for ordering in the classroom on the day.

SwiftKitchen can be downloaded as an App onto your phone or can be accessed via the following on-line web link app.swiftkitchen.co.uk. The SwiftKitchen App is available for download in the Apple Store and Google Play. Once downloaded you will need to register and link your child/ren to the system using the key/s which will be provided by the school. Guidance for this will follow.

Please be aware that you should have settled any outstanding catering debts by the end of term. All monies paid for school lunches next year must be to Aspens via the SwiftKitchen system, **not** through ParentPay. Please also use up any credit you may have! Any other school payments you might make such as for a school trip will continue to be made through ParentPay.

We have not increased the cost of a school meal since September 2023. Since then both food and labour costs have increased significantly. Accordingly, we have had to increase the cost of a school meal to reflect these price rises to **£2.80 from 1st September 2025**.

Further information will be sent to you as soon as possible, once new class information has been uploaded to the SwiftKitchen system to enable logins (SwiftKitchen Key) to be provided for everyone.

Best wishes

Mr R Pepper
