27<sup>th</sup> January 2026

Dear Parents and Carers

### Animal Experience, Friday 6<sup>th</sup> February 2026

To provide enrichment for our English and Science lessons this term in which we are learning about animals, we have arranged an interactive, 'hands-on Animal Experience' via Animals2usouthwest. The children will get the chance to see, hold and learn about some small animals from around the world. This activity will take place in school during the afternoon of Friday 6<sup>th</sup> February.

There is a charge to cover the cost of this activity and parents are asked to make a voluntary contribution of £3.50 per child please; these should be made via ParentPay please. In the unlikely event that a small surplus should remain, once all the costs for the activity have been met, we will retain any amount less than £1.00 per student for use in the support of school activities. If you have any objections to this, please let us know by Friday 30<sup>th</sup> January.

If your child has any general animal allergies which we may not be aware of, or if you have any questions, please see your child's class teacher.

Thank you for your support for this activity.

Yours sincerely

*Mrs N Roach, Mrs G Bridden and Miss S Gerry*
